

The ADVANTAGE JA working group for Regione Marche-ARS

The ADVANTAGE JA working group for Regione Marche-ARS manages the communication and dissemination aspects of ADVANTAGE JA. Dissemination is essential for take-up, and take-up is crucial for the success of the JA and for the sustainability of outputs in the long term. The team is in charge of creating and updating all the dissemination material and tools (e.g. leaflet, website, e-newsletter, etc.) ensuring the high quality content. It promotes effective communication with the stakeholders and it also supports partners in dissemination activities of the JA.
